BROWNSON COUNTRY CLUB

Located just off the picturesque village green in Huntington, Connecticut, Brownson Country claims one of the area's most challenging 18-Hole Championship Golf Courses, a family pool complex and a spacious clubhouse with dining, bar, and banquet venues.

The golf course, an original Albert Zikorus layout and redesigned by the award winning Cornish, Silva & Mungeam, plays to par 70 with a slope rating of 134. With water coming into play on eleven holes, small and well bunkered green complexes and rolling elevation changes tee to green, it is both a challenge and a treat to play.

SOME CHARITIES WE SUPPORT

For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.'

OFF THE STREETS

Off the Streets was founded in 2009 by Deacon Michael Oles in Danbury with a mission of helping get people out of homelessness and into housing. Volunteers seek to get to know the homeless as individuals, and always treat them with dignity and respect. OTS helps pay up-front rental costs, and provides food, linens and furnishings, and provides ongoing counseling.

FISHER HOUSE FOUNDATION

Fisher House Foundation is best known for a nationwide network of comfort homes where military and veterans' families can stay at no cost while a loved one is receiving treatment. HOMES FOR THE BRAVE

Since opening its doors in 2002, ABRI/Homes for the Brave has provided housing, vocational training and job placement, mental health and addiction services, and life skills coaching to help individuals, especially Veterans, leave homelessness behind. To date, the organization has worked with more than 900 individuals.

AL'S ANGELS
